Finn Dixon & Herling LLP was named by Chambers to its top tier, “Band 1”, for Corporate/M&A law firms in Connecticut for the seventh straight year.

Chambers said about our firm: “This boutique firm has maintained its standing at the top of the field thanks to the efforts of its well-known and distinguished collection of lawyers. The firm’s reputation extends beyond Connecticut and it is frequently instructed by New York-based and other national companies. Its lawyers are praised for their accessibility and customer service and undertake a high volume of work; in spite of the economic downturn, they have continued to close big deals.”

Chambers also gave top rankings to our founding partners, Harold B. Finn III, Brett W. Dixon and Michael J. Herling, and to our partners David I. Albin and Charles J. Downey. These five attorneys were among the fourteen individuals given top rankings by Chambers in the Corporate/M&A area; no other firm had more than two.
