From the firm's inception, we have provided solution-oriented and efficient general corporate counseling, advice and services to a substantial number of business entities, large and small, both publicly traded and privately held. Our ability to provide our clients with advice on a wide range of business law issues is reflected in being the only firm named by Chambers USA 2010 to its top tier, "Band 1", for Corporate/M&A law firms in Connecticut. We have been in the top tier for eight straight years.

Our general corporate services can address all or any portion of a client's legal needs, including the following areas (many of which are discussed in more detail elsewhere):

- Mergers and Acquisitions
- Financings
- Corporate Laws (and laws of other business entities, such as limited liability companies and partnerships)
- Securities Laws
- Executive Compensation and Benefits
- Employment Laws
- Corporate and Partnership Tax
- Dispute Resolution and Litigation
- Drafting and Negotiation of sales, distribution, and other business agreements
- Leasing Real Property
- Structuring cross border transactions and investments
