Jason R. Boyea and Michael Q. English Recognized as “New Leaders in the Law” in Connecticut

Date: 11/09/12

Finn Dixon & Herling is proud to announce that two of its partners, Jason R. Boyea and Michael Q. English, have been named to the Connecticut Law Tribune 2012 New Leaders in the Law list. Messrs. Boyea and English are two of a few distinguished young attorneys in Connecticut to be selected for this distinction.

Candidates for this distinction must have been born on or after September 1, 1972 (under 40 years of age) and, in the opinion of the Connecticut Law Tribune, have professional achievements that distinguish them from their peers. For Mr. Boyea, the honor highlights his counsel on sophisticated private equity and M&A transactions and successful efforts in expanding the firm’s international practice. For Mr. English, the distinction spotlights his impressive accomplishments as a senior prosecutor in the U.S. Attorney’s Office for the Southern District of New York and his lead role in several complex litigation matters since joining the firm earlier this year.
